

## **2017-2018 Sponsorship Opportunities**

### **FULL HOME SPONSORSHIP, \$65,000**

A full home sponsor provides the financial resources to build a home in Bay County.

#### **This sponsorship package includes:**

Up to 12 volunteer workdays with 12-25 volunteers each day, depending on scope of work for the day.

- Tasks include framing, siding, installing carpet, caulking and painting, landscaping.
- Provide value-added client experience by inviting clients to feel the power of a Habitat build while working alongside company team members.
- Engagement with partner family.
- Lunch provided each day for volunteers.

#### **Corporate acknowledgment including:**

- Company profile on Habitat Bay website.
- Company name and logo included in all media releases surrounding the build.
- Announcements on social media channels.
- Signage at the build site throughout the build.
- Opportunity to speak at home dedication ceremony.
- Company logo listed in program for home dedication.

### **HALF HOME SPONSORSHIP, \$35,000**

A half home sponsor commits half the financial resources needed to build a new Habitat home in Bay County.

#### **This sponsorship package includes:**

Up to 6 volunteer workdays with 12-25 volunteers each day, depending on scope of work for each work day.

- Tasks include: framing, siding, installing carpet, caulking and painting, landscaping.
- Provide value-added client experience by inviting clients to feel the power of a Habitat build while working alongside company team members.
- Engagement with partner family.
- Lunch provided each day for volunteers.

#### **Corporate acknowledgment including:**

- Company profile on Habitat Bay website.
- Company name and logo included in all media releases surrounding the build.
- Announcements on social media channels.

- Signage at the build site throughout the build.
- Company logo listed in program for home dedication.

## **TWO DAY BLITZ SPONSORSHIP, \$1,500**

In a two day blitz, companies provide the funds and volunteers for a portion of the house construction schedule.

### **This sponsorship package includes:**

Two volunteer work days; teams of volunteers work on building the walls over a two day period. Potential to involve 45-50 employees.

- Provide value-added client experience by inviting clients to feel the power of a Habitat build while working alongside company team members.
