Eden Fellowship Ministries Inc. is raising capital to purchase a facility to serve the Wichita area community. As a nonprofit faith-based organization, we would like to offer services focused on equipping young minority males between the ages of 9-17 for adulthood. We believe that the sooner we reach out to our young minority men, the greater chance for success.

We already have a partnership with a local faith-based organization that allows us to give away free groceries. Our current facility is too small to accommodate our outreach mission.

Established March 6, 2017, we have been committed to serve Wichita in our ministry efforts creating an atmosphere conducive for spiritual development. Your financial contribution to our campaign will greatly improve our cause to minister throughout the Wichita area communities.
