

We are currently raising funds for a very large and expensive move to our forever property. Our rescue has been leasing property for our 334 animals since Hurricane Harvey hit in 2016. When we were preparing our house to be listed for sale, Covid hit and added another 2 years to our wait.

We are now closing the middle of this month!! We will be expanding our programs to include animal therapy for people with PTSD and a foster kid's program to help our community even more. We are just so excited to be able to help so many heal and find inner peace now that we have this gorgeous farm to call home.
