Founded in 2019, the Rancho Murieta Pickleball Club is a social and recreational club whose purpose is to promote Pickleball and provide a fun, healthy, and recreational activity for all residents of Rancho Murieta, and the guests who accompany them. Shortly after its formation the Club began a major effort to develop six new Pickleball courts for use by residents of Rancho Murieta. In partnership with two major sponsors, the Summerfest Organization, and the Rancho Murieta Association (whose maintenance crews also built the courts), six new beautiful courts were completed and dedicated in July, 2021.

The Club is now undertaking the building of a legacy brick patio at the site of the new courts. Through engraved bricks, businesses, organizations and individual donors will be recognized for their support while creating a legacy for the improvement and maintenance of this community facility. Bricks can be engraved with a commemorative message, memorial, tribute, acknowledgement, etc. Please use this website and order form to electronically purchase your engraved brick. The options for customizing the text on your brick is on page two of the electronic form.
