

Somerset Country Club is excited to announce the launch of our commemorative brick selling project as part of the development of our new clubhouse! This is a unique opportunity for members, families, community, and friends of the club to become a lasting part of our legacy by purchasing personalized engraved bricks that will be proudly displayed as a part of the clubhouse structure. Whether honoring a loved one, celebrating your family's history with the club, or simply showing your support, your contribution will help build a beautiful new space for generations to enjoy. Join us in laying the foundation—one brick at a time.
