

St. Thomas Aquinas Early Childhood Center is a preschool where, under the inspiration of our patron saint, young scholars are given the opportunity to grow both academically and in their Catholic faith. In partnership with the families and community, we strive to offer a unique, developmentally appropriate environment that fosters a strong foundation for learning and the development of the whole child.

This preschool has been an important part of our church and community for over 35 years. Every student and family that has passed through our doors has become a part of the ever-growing STAECC family. Now, we would like to commemorate this by offering engraved bricks for purchase to be displayed in the preschool courtyard. Past and present STAECC families know what a special part of the school the courtyard is, and we can't wait for our families to be a permanent part of it! All proceeds from this brick fundraiser will go to the redesign of our courtyard. Our Buy-A-Brick donor website allows you to design and purchase a custom-made brick for our courtyard with the ability to also purchase a replica 4x4 black granite tile for you to take home as a reminder of your gracious donation. As always, thank you for your continued support of our preschool!
